## 导演阐述

《心态》拍的是一个发传单的人。我负责导演、编剧、拍摄和剪辑。想用有趣一点的方式，展示这份工作。

“他是谁？”是很直接的入口。西装、背影、领带先出现在画面里，观众可以先猜。等传单和工作的动作进入画面，再回头看前面的郑重，就有了另一种感觉。趣味来自这个反差。

A Great Mindset Person follows someone who hands out flyers. I directed, wrote, filmed and edited the short. I wanted to introduce this everyday job in a playful way.

“Who is he?” is the starting point. A suit, a figure seen from behind and a tie give the audience something to guess at. Once the flyers and the work come into view, that earlier sense of importance takes on a different meaning. The humour comes from this contrast.
